**F** smokejumper

# HOT jobs

1 a

**When it comes to tough jobs, nothing beats being a smokejumper!**

**S**mokejumpers are elite firefighters who risk their lives fighting forest fires in remote areas. They bravely parachute out of aeroplanes into burning forests, where they quickly get to work putting the fire out.

A smokejumper's duties are not easy. They have to do long, tough training before they can become part of a team. Smokejumpers need to be very good parachutists, and know how to read maps to get out of a forest safely. "To be a smokejumper you need to be very fit, and able to work for long hours in difficult conditions," says Zach Meyers, a smokejumper at West

Yellowstone. "We train all the time and we're always trying to improve." When they parachute into a fire zone they wear a padded jump jacket and trousers, boots, gloves, a face mask and a helmet. They also carry a backpack with some food and water, and a fire shelter. The aeroplane drops the tools and equipment they need to fight the fire. "People think that smokejumpers have a very dangerous job, but we don't see it like that," says Zach with a smile. "This job keeps me happy. I love the feeling I get when I jump out of the aeroplane and fly through the air. I wouldn't want any other job in the world."

Student's Book p.12

## **CAMP COUNSELLORS**

During the summer holiday, a lot of university students choose to work at summer camps as camp counsellors. This way, they can spend time outdoors, organise sports and other activities, and have fun.

There are many different kinds of camps, such as

sports camps, language-learning camps, and technology camps. Counsellors get free room and board and they also earn a good wage.

## INTERNSHIPS

For students who know what they want to do when they graduate, a summer internship is ideal. The job can often be low-paid or even unpaid, but it's great experience in the student's chosen profession. For example, medical students often work as lab or

research assistants, ICT students work as computer lab assistants and law students work as clerks for a law firm. The company sometimes offers the intern a job after they graduate.
